CONGRATS TO THE NEWLYWEDS!

Josh and Tabby Dunn were married on April 23rd!

May God richly bless thier marriage!

MEET THE DUNNS!

Where are you both from?

Josh is from Southlake and Tabby is from Fort Worth

What do you do for a living?

Tabby is in pharmacy and also attending nursing school. Josh is a computer programmer/developer

How did you meet?

Josh and Tabby had their first date at Anamias in Southlake after they matched and chatted on the App "Hinge." Josh sent the first message and chose the dinner location not knowing

that Tabby didn't like TexMex. They then went on to go on many fun and exciting dates, frequently trying different cuisines.

Josh proposed to Tabby on November 29th in Puerto Juarez, Mexico. After saying Tabby's full name but before asking her to marry him, he was surprised by Tabby yelling "What!?! Josh don't mess with me! This can't be real!" Needless to say she was caught completely by surprise and thought Josh was playing a mean joke on her. She said yes after confirming that the ring and question were in fact not a joke.

Where did you get married? The Bentley Station in Lake Dallas

What hobbies do you share together? Playing games and trying different cuisines
