

CALVARY CHRONICLE

To know Jesus and to make Him known...faithfully, boldly, excellently.

NEWS HIGHLIGHTS

Summer Projects: It's an ambitious summer at Calvary! Between a kitchen remodel, extensive flooring updates, and a church office & flex space refresh, it seems nearly every surface is being renovated! Walk through this weekend to see the progress!

Happy News! Power Hour registration opened this week and classes are filling up! Power Hour is a preschool learning program for children to enjoy with their caregivers for one hour a week. Every class is based on God's word. Last school year, Calvary launched Power Hour virtually to our community with a great response. This school year we're offering classes both in-person and to-go! If you have children between 2 and 5 years-old, join us this fall for brain-building and bond-building fun! If you'd like to volunteer to part of the Power Hour team on Fridays, talk to Amy David. PreK & Kindergarten Round-Up: The 2021-2022 school year is just weeks away! Calvary Lutheran School has room in its preschool and kindergarten classrooms! If you or a friend is looking for beautiful educational beginnings, make sure to join us for Preschool & Kindergarten Round-Up on Friday, July 30th between 10:00 AM and 12:00 PM.
